
Help-4-Hep Hepatitis C Helpline

- Help-4-Hep is a new national hotline launched to provide emotional support and information to people affected by hepatitis C.
- Specially trained counselors provide callers with information on screenings, diagnoses, medical evaluations, and treatments associated with hepatitis C.
- Additional Help-4-Hep assets include an up-to-date national database of 25,000 referral resources, as well as a secured shared caller database for counseling continuity.
- 877-HELP-4-HEP (877-435-7443) operates Monday through Friday 9:00am to 7pm. To learn more, visit www.help4hep.org or email info@help4hep.org.
